

WINTER SHARE 2009-2010

Garden of Eve Organic Farm

WHAT IS THE WINTER CSA SHARE?

Winter shares consist of a pre-boxed, once-a-month pickup from December through May of approximately 15-20 lbs of our own organic vegetables, and 2-3 dozen of our pastured organic eggs. You will pick one of the following share types (they are the same price):

“Garden of Eve” share includes produce and eggs grown at Garden of Eve. A vegan option which replaces eggs with locally grown (non-organic) apples is also available.

“Shopping Basket” share will include Garden of Eve vegetables in slightly smaller quantities than the Garden of Eve share, plus 3-4 “locavore” products each month including Garden of Eve organic bread-and-butter cucumber pickles and tomato sauce; organic cornmeal and flours from Wild Hive Organic Farm; organic dried beans from Cayuga Pure Organics; OG buckwheat cereal and buckwheat from Birkett Mills NY; mushrooms; OG popcorn, Long Island raw honey, local non-organic apples from Briermere Farms, etc. *No dairy products are likely to be included this year.*

FALL (Dec-Jan) will include of our own fresh organic field-grown greens such as kale, collards, Swiss chard, and Brussels sprouts, as well as some stored items such as beets, carrots, potatoes, sweet potatoes, rutabagas, cabbage, celeriac, daikon, onions, garlic, and winter squash (includes different kinds: delicata, butternut, acorn, spaghetti, etc.).

WINTER (Feb-March) will include mainly stored items such as beets, carrots, potatoes, sweet potatoes, rutabagas, celeriac, and garlic, and butternut winter squash.

SPRING (April-May) will include our own fresh greenhouse grown delicacies such as mesclun lettuce and bunched greens, such as baby kale, mizuna, mustards, bok choy, Swiss chard, etc.

HOW MUCH DOES IT COST? Winter Share is \$45/month for 6 months, a total of \$270. Egg shares (1 dozen eggs each month, for 6 months) can be purchased for \$30 each. The value of produce over the season will be equal to or above the price, generally, although we ask for your understanding in case of some kind of unforeseen crisis, as with all CSA relationships.

***ADDITIONAL EGG SHARES:** Also available as a stand-alone item without the vegetable winter share* (1 dozen each month, for each of 6 months) are at \$30 each (i.e. \$5/dozen for 6 pickups). You may buy as many additional egg shares as you want.
