**GARLIC EATING CONTEST WAIVER:** I understand that eating large amounts of garlic is potentially hazardous and is an uncomfortable activity. I should not enter and eat unless I am medically capable. I realize that this is in good fun and possibly bad taste, but I agree to be a good sport. I agree to abide by any decision of the contest officials and all of the contest rules. I assume all risks associated with eating in this type of event including but not limited to: indigestion, that stuffed feeling, contact with other contestants, a burning sensation in my mouth and throat, and getting very stinky and possibly not being kissed for possibly 48 hours afterward, and all such risks being known and appreciated by me. Having read this waiver and knowing these facts and in consideration of you accepting my entry, I, for myself and anyone entitled to act on my behalf, waive and release The Long Island Garlic Festival, Garden of Eve Organic Farm, their representatives, sponsors, and their successors from all claims of liabilities of any kind arising out of my participation in this event.
