WINTER SHARE 2018-2019

NEW THIS YEAR: CUSTOMIZE YOUR BOX!

Customized boxes will allow you to select preferences at sign-up and then customize each pick up based on our harvest. This will help you actually use everything in the box because you'll love everything you are getting! On a special diet and can't eat potatoes? Not a problem, just switch them out for a different item you prefer. Want eggs some months but not others? Not a problem, just switch them out.

NEW THIS YEAR: VACATION HOLDS: Vacation planned? Need to change your dropsite? No problem. You can easily put a "hold" on your box and schedule two boxes at a different time so no more missing out.
